For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. Important Questions	Answers	Why This Matters:
<b>What is the overall <a href="#">deductible</a>?</b>	In-Network/Participating <a href="#">Providers</a> : \$7,000/person; \$14,000/family Out-of-Network/Non-Participating <a href="#">Providers</a> : \$7,000/person; \$14,000 family	Generally, you must pay all of the costs from providers up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> .
<b>Are there services covered before you meet your <a href="#">deductible</a>?</b>	Yes. <a href="#">Preventive Care Services</a> , are covered before you meet your <a href="#">deductible</a> .	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
<b>Are there other <a href="#">deductibles</a> for specific services?</b>	\$250/person / \$500 family Prescription Drug <a href="#">Deductible</a>	The Prescription Drug <a href="#">Deductible</a> must be satisfied before a <a href="#">copayment</a> will apply.
<b>What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a>?</b>	In-Network/Participating <a href="#">Providers</a> : \$8,500/person; \$17,000/family Out-of-Network/Non-Participating <a href="#">Providers</a> : \$14,000/person; \$28,000/family	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.
<b>What is not included in the <a href="#">out-of-pocket limit</a>?</b>	Penalties for non-compliance with plan provisions; <a href="#">premiums</a> ; <a href="#">balance-billing</a> charges and health care this <a href="#">plan</a> doesn't cover.	Even though you pay these expenses, they do not count toward the <a href="#">out-of-pocket limit</a> .
<b>Will you pay less if you use a <a href="#">network provider</a>?</b>	Yes. <a href="https://hstconnect.com/">https://hstconnect.com/</a> or call 800-440-7427 for a list of <a href="#">network providers</a> .	This <a href="#">plan</a> uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a> . You will pay the most if you use a non-participating/ <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware, your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
<b>Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a>?</b>	Yes.	This is a managed care plan. You must contact Clearwater at 1-877-405-2926 to coordinate care and obtain prior authorization for services other than primary care office visits and emergent services. Preauthorization and coordination of care is required for access to benefits.

All [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies. If the deductible does not apply, neither does coinsurance.
